Picture Perfect
If I should paint a picture
Of Miss Eckles Class of '82
I'd have a well-rounded painting
With children of different hue.

For reading of supeerb quality
I'd place Kaden, Eric, Jason and Alan very bold.
For speed, comprehension and expression
A record most children don't hold.

Now math is a different subject
To be placed in plain view,
For Charles, Britt, Eddie, Chad
Staci and Eve
It's not a hard thing to do.

Writing is very important
For neatness counts a lot,
To make a picture perfect
Carlton, Shannon, Ryan, Michael, Debbie and Lance
Would be in the perfect spot.

Now a picture is not complete
Until it will very well show,
Just what is exactly intended
For each of the viewers to know.

With Kevin, Michelle and Heather
It's very easy to do,
Because with their politeness and expertise
Will put the picture right in view.

The week prior to PVA Homecoming was exciting and filled with a variety of things. Our cheerleaders sponsored a progressive supper for the football team. We had purple and gold day, urban western day, brand name attire day and dress up day.

Senior football players escorted the Queen and her Court to the student body during the pep assembly held at two o'clock that afternoon. Introducing the Court was Mrs. Pat Carter, PVA faculty member.

Principal Joe McMakin and Board member Tommy Rolfe crowned Queen Chellie Reynolds. Chellie's young brother, Russell and young sister, Ashley were a part of presentation ceremonies. As each court member was introduced, two members of the Student Council presented her with flowers. The court looked very lovely in the throne area arranged by Mrs. Costello and Mrs. Higginbotham.

Homecoming was a great event made possible by the work of many students, teachers, and parents.

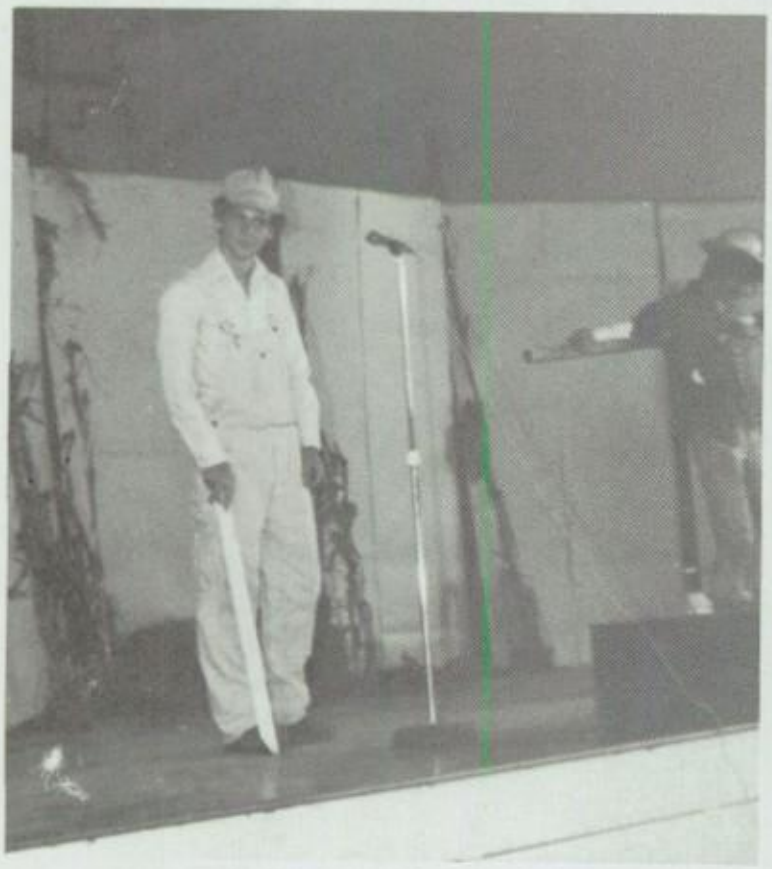
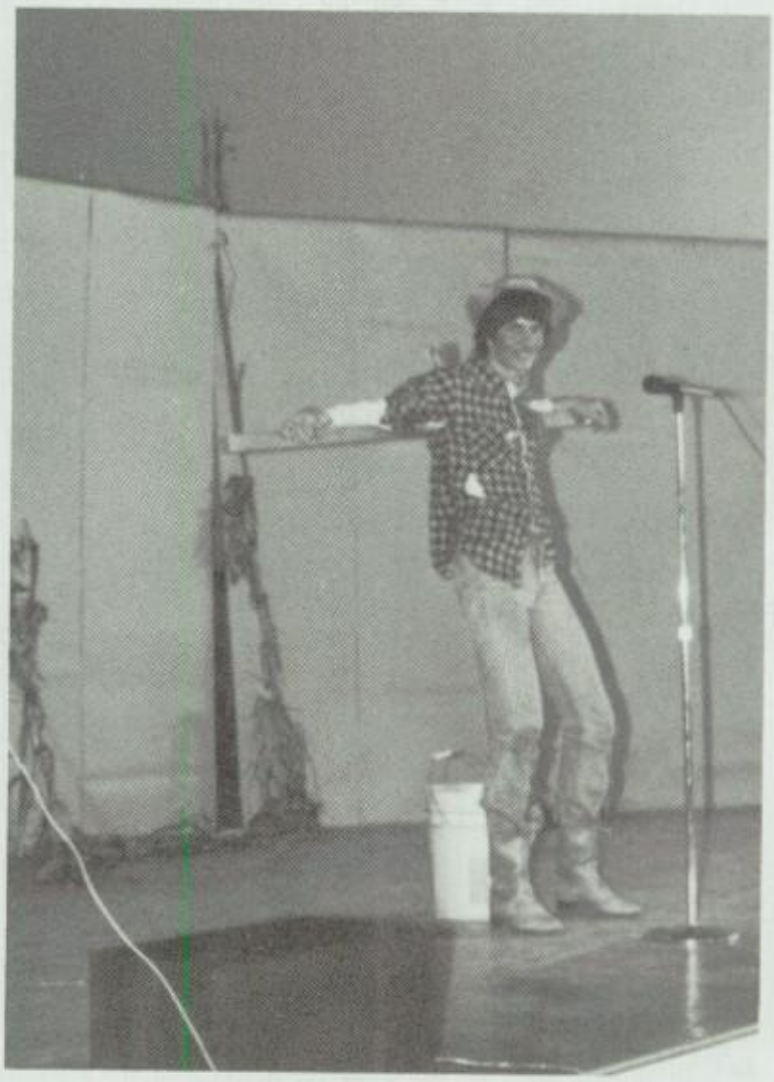
Fall Festival

The PVA Parents and Friends Club first annual Fall Festival was a hugh success. The event cleared $6,004.93. The biggest money maker of the Festival was the raffles. We are already making plans for next year's festival.

Thanksgiving





Mrs. Sterling's 3rd grade students presented the play "The First Thanksgiving" to the student body during a Thanksgiving assembly sponsored by the student council. The speech students followed the theme of the program by using a scarecrow to tell the real meaning of Thanksgiving.

A Hillbilly Christmas

PVA Booster Club constructed a float for the Christmas parade and our band, pranchers and students enjoyed riding in the parade. The speech students added additional enjoyment with their play "A Hillbilly Christmas."

PVA Playday

Members of our Parents Club sponsored our second PLAY DAY. Students and faculty members stopped all class work and joined the parents for games, relays and food. What a great day!
